**A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder’s behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder’s nominee in the blank space provided or complete another suitable form of proxy.**

A proxy will not be valid unless it is duly completed, signed and deposited with the Company's registrar and transfer agent, Olympia Trust by mail to the attention of the Proxy Department at PO Box 128, Stn M, Calgary, Alberta, T2P 2H6, or by fax to Olympia Trust at 1-403-668-8307, or via email to proxy@olympiustrust.com, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

## **VOTING BY PROXYHOLDER**

### **Manner of Voting**

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the "**Proxyholders**") will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

**In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.**

### **Revocation of Proxy**

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited with Olympia Trust by mail to the attention of the Proxy Department at PO Box 128, Stn M, Calgary, Alberta, T2P 2H6, or by fax to Olympia Trust at 1-403-668-8307, or via email to proxy@olympiustrust.com, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **Voting Thresholds Required for Approval**

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

### **ADVICE TO REGISTERED SHAREHOLDERS**

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the “**Registered Shareholders**”) may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Olympia Trust using one of the following methods:

- (a) by completing, dating and signing the enclosed form of proxy and returning it by mail to Olympia Trust Company, PO Box 128 Stn M, Calgary, Alberta, Canada T2P 2H6, Attention: Proxy Dept.; or
- (b) by email to [proxy@olympiatrust.com](mailto:proxy@olympiatrust.com); or
- (c) by fax to +1-403-668-8307; or
- (d) by using the internet through the Olympia Trust Company website at:

<https://css.olympiatrust.com/pxlogin>. Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder’s account number and the proxy access number.

### **Returning your Proxy Form**

To be effective, we must receive your completed proxy form or voting instruction no later than 10:00 a.m. (Pacific time) on **Thursday, February 19, 2026**.

If the Meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Pacific time), two full business days before any adjourned or postponed Meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.**

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depositary for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form (“**VIF**”), mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting.

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). The Company does not intend to pay for intermediaries to deliver these security holder materials to OBOs and, as a result, OBOs will not be sent paper copies unless the intermediary assumes the cost.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

#### **Non-Objecting Beneficial Owners**

NOBOs can expect to receive a VIF from Broadridge. These VIFs are to be completed and returned to Broadridge in the envelope provided or by facsimile. In addition, Broadridge provides internet voting as described on the VIF itself which contains complete instructions. Broadridge will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted**

#### **Objecting Beneficial Owners**

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to client, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

## **United States Shareholders**

This solicitation of Proxies and VIFs involves securities of a company located in Canada and is being effected in accordance with the corporate and securities laws of the province of British Columbia, Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of British Columbia, Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), some of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

## **INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON**

Except as otherwise disclosed herein, none of the directors (“**Directors**”) of officers (“**Officers**”) of the Company, at any time since the beginning of the Company’s last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors. Directors and Officers may, however, be interested in the approval of the Compensation Plan as detailed in “*Approval of Compensation Plan*” below, as such persons are entitled to participate in the Compensation Plan.

## **RECORD DATE, VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF**

## Stock Option Plans and Other Compensation Plans

The Company has adopted a 10% rolling omnibus incentive plan (the “**Compensation Plan**”), pursuant to which the Board of Directors (the “**Board**”) may grant options (“**Options**”), restricted share units (“**RSUs**”) and deferred share units (“**DSUs**”) (together, the “**Compensation Securities**”) to purchase common shares of the Company to NEOs, directors, officers, management company employees of the Company or affiliated corporations and to consultants retained by the Company (collectively “**Eligible Persons**”), on terms acceptable to the exchange on which the Company is listed

The purpose of the Compensation Plan is to attract, retain, and motivate NEOs, directors, officers, employees and other service providers by providing them with the opportunity to acquire an interest in the Company and benefit from the Company’s growth.

Under the Compensation Plan, the maximum number of Common Shares reserved for issuance, including any other compensation Securities currently outstanding, is equal to 10% of the Common Shares outstanding from time to time (the “**10% Maximum**”) when combined with any other share-based compensation arrangements in place. The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Compensation Securities, a number of Common Shares equivalent to the number of Compensation Securities so exercised, terminated, cancelled or expired would automatically become reserved for issuance in respect of future grant of Compensation Securities.

The following is a summary of certain provisions of the Compensation Plan and is subject to, and qualified in its entirety by, the full text of the Compensation Plan. Capitalized terms used herein which are not otherwise defined shall have the meaning ascribed to them under the Compensation Plan.

- (a) the maximum aggregate number of Common Shares that are issuable pursuant to all Security Based Compensation granted or issued to Insiders (as a group) must not exceed 10% of the issued Common Shares at any point in time;

- (c) the maximum aggregate number of Common Shares issuable pursuant to all Security Based Compensation granted or issued in any 12 month period to any one Person (and where permitted under applicable securities exchange policies, any Companies that are wholly owned by that Person) must not exceed 5% of the issued Common Shares, calculated as at the date an any Security Based Compensation is granted or issued to the Person;
- (d) the maximum aggregate number of Common Shares that are issuable pursuant to all Security Based Compensation

granted or issued in any 12-month period to any one Consultant must not exceed 2% of the issued Common Shares, calculated as at the date any Security Based Compensation is granted or issued to the Consultant;

- (e) Investor Relations Service Providers may not receive any Security Based Compensation, other than Stock Options;
- (f) upon expiry of a Stock Option, or in the event an option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated option shall again be available for the purposes of the Option Plan. All Options granted under the Option Plan may not have an expiry date exceeding ten (10) years from the date on which the Board grants and announces the granting of the Option;
- (g) if a provision is included that the Participant's heirs or administrators are entitled to any portion of the outstanding Security Based Compensation, the period in which they can make such claim must not exceed one year from the Participant's death; and
- (h) any Security Based Compensation granted or issued to any Participant who is a Director, Officer, Employee, Consultant or Management Company Employee must expire within a reasonable period, not exceeding 12 months, following the date the Participant ceases to be an eligible Participant under the Compensation Plan.

**For details of the Compensation Plan, see "Particulars of Matters to be Acted Upon – Approval of Compensation Plan" below.**

There are presently no Compensation Securities outstanding under the Compensation Plan.

#### **Employment, Consulting and Management Agreements**

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary or constructive), resignation, retirement, severance, a change in control in the Company or a change in the NEO or director's responsibilities.

#### **Oversight and Description of Director and NEO Compensation**

##### ***Compensation of Directors***

The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

##### ***Compensation of NEOs***

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs

**SCHEDULE “B”**  
**FORM 58-101F2**  
**CORPORATE GOVERNANCE DISCLOSURE**  
**(VENTURE ISSUERS)**

The board of directors (the “**Board**”) of Kiplin Metals Inc. (the “**Corporation**”) believes that good corporate governance improves corporate performance and benefits all shareholders. Regulator authorities have implemented National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), which prescribes certain disclosure by the Corporation of its corporate governance practices.

The disclosure is presented below:

**Item 1: Board of Directors**

***Supervision Over Management***

There is no specific written mandate of the Board, other than the corporate standard of care set out in the governing corporate legislation of the Corporation, i.e., the Board has overall responsibility for the management, or supervision of the management, of the business and affairs of the Corporation. The Board’s primary tasks are to establish the policies, courses of action and goals of the Corporation and to monitor management’s strategies and performance for realizing them.

All major acquisitions, dispositions, and investments, as well as financing and significant matters outside the ordinary course of the Corporation’s business are subject to approval by the full Board. The Board of Directors does not currently have in place programs for succession planning and training of directors and management. As the growth of the Corporation continues, the Board will consider implementing such programs. In order to carry out the foregoing responsibilities the Board meets on a quarterly basis and as required by circumstances.

***Composition of the Board***

The Board is currently comprised of four directors. The board of directors of the Company (the “**Board**”) facilitates its exercise of independent supervision over the Company’s management through frequent meetings of the Board.

**Gilbert Schneider**, is the President and Chief Executive Officer of the Company and is therefore not “independent”.

**Richard Ko**, is the Chief Financial Officer of the Company and is therefore not “independent.

**Peter Born**, a director of the Company, is “independent” in that he is free from any direct or indirect material relationship with the Company.

A material relationship is a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a member’s independent judgment.

**Item 2: Directorships**

The current directors of the Company are currently directors of the following other reporting issuers:

<b>Name of Director</b>	<b>Name of Reporting Issuer</b>
Gilbert Schneider	Bedford Metals Corp.
Richard Ko	Bantam Capital Corp. Cullinan Metals Corp.

Name of Director	Name of Reporting Issuer
Peter Born	Arbor Metals Corp. Bedford Metals Corp. Bantam Capital Corp. Kingman Minerals Ltd. Zinc One Resources Inc. Marvel Discovery Corp.

### **Item 3: Orientation and Continuing Education**

The Board does not have a formal process for the orientation of new Board members. Orientation is done on an informal basis. New Board members are provided with such information as is considered necessary to ensure that they are familiar with the Company's business and understand the responsibilities of the Board.

The Board does not have a formal program for the continuing education of its directors. The Company expects its directors to pursue such continuing education opportunities as may be required to ensure that they maintain the skill and knowledge necessary to fulfill their duties as members of the Board. Directors can consult with the Company's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Company and the Board

### **Item 4: Ethical Business Conduct**

The Board has not adopted a formal code of ethics. In the Board's view, the fiduciary duties placed on individual directors by corporate legislation and the common law, and the restrictions placed by corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Although the Company has not adopted a formal code of ethics, the Company promotes an ethical business culture. Directors and officers of the Company are encouraged to conduct themselves and the business of the Company with the utmost honesty and integrity. Directors are also encouraged to consult with the Company's professional advisors with respect to any issues related to ethical business conduct.

### **Item 5: Nomination of Directors**

The identification of potential candidates for nomination as directors of the Company is primarily done by the CEO, but all directors are encouraged to participate in the identification and recruitment of new directors. Potential candidates are primarily identified through referrals by business contacts

### **Item 6: Compensation**

The compensation of directors and the CEO is determined by the Board as a whole. Such compensation is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. See "Statement of Executive Compensation" for additional information

### **Item 7: Other Board Committees**

The Company does not have any standing committees other than the Audit Committee.

### **Item 8: Assessments**

The Board does not have any formal process for assessing the effectiveness of the Board, its committees, or individual directors. Such assessments are done on an informal basis by the CEO and the Board as a whole.
